

**THIRD  
EDITION**

# TRITIUM SCHOOL

**Hybrid Format**

19 – 22  
March 2024

**Registration will open in the fall**

## ORGANISERS

Elodie Bernard, Commissariat à l'Energie Atomique  
Sabina Markelj, Jožef Stefan Institute  
Thierry Orsière, Université Aix-Marseille

## ORGANISING COMMITTEE

Elodie Bernard, France  
Thierry Gilardi, France  
Véronique Malard, France  
Sabina Markelj, Slovenia  
Ion Cristescu, Germany  
Carlos Moreno, Spain  
Thierry Orsière, France

The TITANS is glad to announce the Third Tritium School. It will consist of five days: four days will be dedicated to invited lectures and contributed talks, and the last day of the event a visit of ITER will be organized. The young generation of researchers working in fusion and fission research and development are encouraged to participate to gain knowledge and present challenges in the field of tritium management in fusion and fission facilities.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Atomic Energy Community ('EC-Euratom'). Neither the European Union nor the granting authority can be held responsible for them.
